

February 29th 2016

To Whom It May Concern,

PL Consulting has been retained by Wide Suites Condominium, 208 Enfield Place, Mississauga, for multiple Energy Saving & Rebate projects.

To date, we are happy to acknowledge PL has been successful in attaining **\$53,398.34** in rebates for our Corporation.

Our recent projects included;

Billing Analysis & Reconciliation: **\$31,242.44** in invoicing errors were identified, adjusted, and credited on our following Hydro Invoice in 2016.

Booster Pump Retrofit: **\$22,155.90** was secured and received in 2015.

On behalf of Wide Suites Condominium, I would like to recognize Adam Firchuk and PL's Engineering team for their hard work, intelligence, and ability to provide service in a diligent manner. Our Board and I look forward to utilizing PL for future projects, and offer this letter as a testament of recommendation for their services.

Regards,

Valiantsin Astrouski, M.A.
Property Manager
