To Whom It May Concern,

Derma Sciences is a Tissue Regeneration Company at the forefront of research and innovation for the management of acute and chronic wounds, and burns. The products we bring to the market are in the best tradition of evidence-based medicine helping clinicians, around the world, improve clinical outcomes. The welfare of our facilities are imperative to the outcome of our products.

PL Consulting Corp. performed an investment grade energy audit in 2013, and secured incentive and energy rebates totalling \$32,000.00, to assist in funding for. These findings have led to an annual electrical savings of \$14,000.

They performed their duties in a timely and professional manner. The staff were always available to answer any inquiries and kept us informed of the progress of each project. We would definitely use their services in the future, and highly recommend them.

Sincerely,

Igor Bakracevski

Plant Manager- Director EHS
